

Nicaragua Youth/Adult Mission Trip

Las Huertas and León, Nicaragua

February 17-25, 2018

Nicaragua is the second poorest nation in our hemisphere. Join us for this amazing experience serving in Nicaragua.

We are combining two trips this year, an Adult and Youth trip from February 14th to February 25th with an optional Extended Adult trip to San Juan Del Sur starting February 14.

The Extended Adult Trip will be flying in on Wednesday, February 14th with the Youth joining them February 17th. We will be picked up at the airport and whisked to the beach side community of San Juan Del Sur for three days experiencing the beautiful waterfalls, beaches, a sea turtle sanctuary, and culture of Nicaragua. We will have a day in the exquisite Colonial capitol of Granada visiting a cigar factory and taking a bird tour with a Naturalist at Lake Granada. On Saturday morning we will be driving back to Managua where we will enjoy a lunch at the CEPAD Guest House and meet-up with our Youth volunteers.

Together we will take a chartered bus to the village of Las Huertas and share a reunion with our dear friends. Las Huertas is a remote rural village designated by the Nicaraguan government as having the highest poverty index in the nation. We will be serving side by side with these precious people in a project designed by the village elders and CEPAD leadership. Last year we

helped dig cisterns to provide water during the dry season and donated monies to provide large water tanks. Our Youth presented sports equipment to their Youth and we celebrated with a baseball game on a sugar cane field.

On Wednesday we will take a chartered bus to the beautiful city of León and stay at a small hotel. We will then visit our friends at the school in León. During the afternoon and evenings we will have a chance to climb a volcano and visit a coffee plantation.

On Saturday we return to CEPAD for our final dinner.

Cost for Adult/Youth trip is \$2,000.00 A \$1,000.00 down payment deadline For registration is Monday, January 1, 2018!
