

Council Report for Committee on Ministry June 13, 2020

1. On March 20 at Joan Jeffers' request, an email vote was taken by COM to remove Kwang Woo Chang (no contact since 3/31/2008) and Brent Patterson (no contact since 3/16/2011) from the roles of the Presbytery of Nevada as inactive members. By March 23 sufficient votes were returned to recommend removing them from our roles.
2. Approve a request to COM from Rev. Jeanie Shaw for her installation service as part-time Pastor at Truckee Lutheran Presbyterian Church to be done virtually. No action has been taken since Council is meeting today.

Can we think outside the box? My installation has been postponed because of the pandemic and because of waiting for our Presbytery. I had my Lutheran Installation back in January, where they laid hands on me.

Would COM approve a virtual installation? My Session/ Council approved a virtual installation pending COMs approval. The plan would be to film the prayers, charge to the congregation and Pastor and the sermon virtually. We would film the music at TLPC. We would film the questions of Installation at Zephyr Point where hopefully a few members of the Commission could be present.

*My Commission would be:
Rev. Joanie Tankersley
Rev. Scott Tretivick
Rev Ed Hilton
Elder Debbie Norton Elko
Rev. Dick Young
Rev Hilda Pecaro
Elder Ryan McKenzie
Elder John Haberson
Elder Lorelle Banzette
Elder Lori Breuch*
