General Assembly

I have registered our elder commissioner, John Harbison before the deadline of December 20, 2021. I didn't register our minister commissioner, Dana Pope, even though she is still a member of the Presbytery. I suspect we will get her transferred before General Assembly.

We are short not only a Minister Commissioner but also a Young Adult Advisory Delegate. By policy, we also send alternate / "elect" Commissioners to General Assembly (the minister and elder commission for the General Assembly following the current one). We do not have them elected for the General Assembly after this one. We also have nowhere to send them since the plenary meetings are online and only the committees are in person in Louisville. I have contacted the current and former nominating committee chairs about this looming? Vacancy in a minister commissioner to GA this summer.

COUNCIL EMAIL VOTES [actions only]

An electronic vote by the Presbytery Council provided by Policy #17 of the Presbytery of Nevada was conducted between 9-18-2021 and 9-22-2021

14 members of the Council of the Presbytery of Nevada were emailed. All voted via an online survey hosted at MailChimp via an individual link sent only to their email and additionally entered their name on the survey. There are 11 voting members. All members opened the email and responded online during the voting period. There were no motions to table the vote.

The motion was:

“Shall the Presbytery of Nevada approve the addresses and listing of officers and agents (linked here and emailed previously) to be filed as a Religious Non-Profit with the state of California?”

Of 11 council members, the vote was 11 YES, 0 No, 0 members not voting, 3 non-voting members indicated their receipt of the email vote survey.

The Motion Passed. The registration is approved. A copy is A-3.

Planning Center

The Presbytery has an online database that allows committee moderators to email their members (without being exposed to scammers and spammers or risk being blocked as a mass emailer)

Committee chairs are encouraged to familiarize themselves and use the Planning Center for email primarily, but also for posting materials to keep the email treasure hunts to a minimum. The Stated Clerk can zoom in to give you a tour. A cheat sheet and short video are available with screenshots in the Council Documents post on the website.

Get started by emailing the Stated Clerk that you are ready for the keys (a link) to your committee.

COMMUNICATIONS

How does the Presbytery wish to deal with job openings massed emailed to the Presbytery by employment agents that cover the entire country?
