NEVADA OFFICERS for the Presbytery

After a miscommunication, I would like the Presbytery to approve these names for filing with the secretary of state of Nevada. Same as last year. I will also see if I can convince the state that the agent (me) lives at 2600 Hansen Drive, not 600 Hansen Drive.

RECORDS REVIEW– Elder Ray Bledsoe Assistant Records Review Clerk

Annual Review, Done online by Elder Ray Bledsoe in October 2021. The following churches were reviewed Elder Bledsoe (except St. John’s which I reviewed), Elder Bledsoe has resigned from this position. Elder John Harbison has agreed to help with this process at our September 2022 Presbytery meeting. Anticipate clerks have the option of in-person or via PDF submission.

Church Names

Churches that changed their name have informed Presbytery and the stated clerk has aided in updating the various records in the Presbytery and General Assembly, if necessary. Name changes have been celebrated at Presbytery meetings.

First Korean Presbyterian Church

Rev. Shin Hwak Hwang is leading First Korea Presbyterian Church. They recall our Presbytery installing him in 2019. Hanmi Presbytery removed Shin Hwak Hwang in 2003. Hanmi Presbytery was dissolved in 2014. He is not on our official rolls with General Assembly. This will take a while.

COUNCIL EMAIL VOTES [actions only]

None. *Thank you.*

Planning Center

The Presbytery has an online database that allows committee moderators to email their members (without being exposed to scammers and spammers or risk being blocked as a mass emailer)

Committee chairs are encouraged to familiarize themselves and use the Planning Center for email primarily, but also for posting materials to keep the email treasure hunts to a minimum. The Stated Clerk can zoom in to give you a tour. A cheat sheet and short video are available with screenshots in the Council Documents post on the website.

Get started by emailing the Stated Clerk that you are ready for the keys (a link) to your committee.

COMMUNICATIONS

None for council or Presbytery
