HAPPY BIRTHDAY Dobbins Hall

After 80 years of hosting thousands of people of all ages, you're pretty worn out! For your birthday, we'd like to make some major enhancements to improve the camper/guest experience for many years to come! So many powerful and significant memories have been created between your four walls. We know you want to continue to be a place where it is easier to hear the Holy Spirit for many more years to come. We're counting on friends of Zephyr Point through their financial support to give you the best birthday present possible.

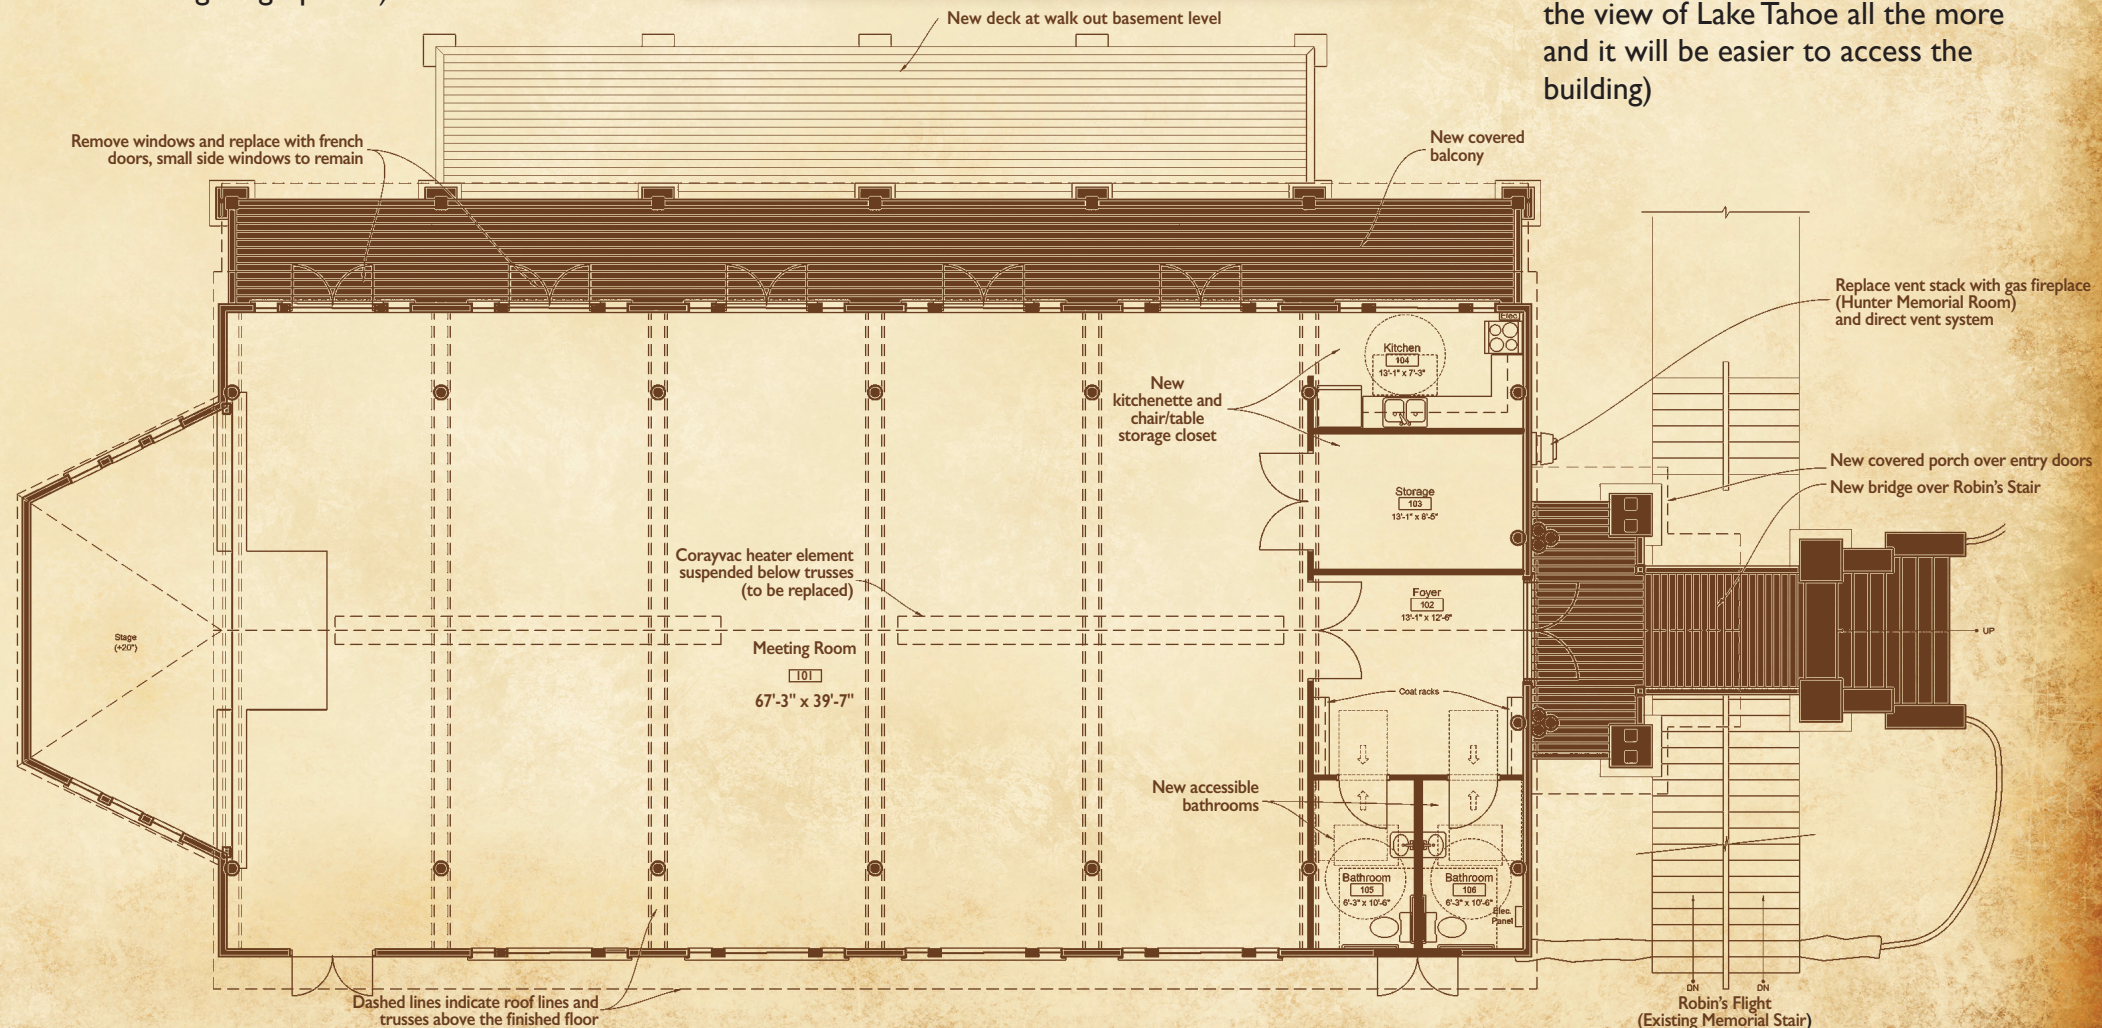

Dobbins Hall ENHANCEMENTS

- New ADA restrooms (no more walking over to Tahoe Center!)
- New kitchen added (food is a big part of camp, especially the snack times!)
- New energy efficient lighting (saves energy costs and you will have many more lighting options)

- New quieter and more energy efficient heating system (you'll stay warm and it will be easier to hear)
- New floor (it's starting to fall apart in places after all these years)
- New energy efficient windows (saves energy and reduces outside noise)
- New window blinds (saves energy and better controls outside lighting for media presentations)
- New decking and entrance (enjoy the view of Lake Tahoe all the more and it will be easier to access the building)

*"Time of development started there and spiritual life and breath was breathed into me."
– College student reflecting on his high school camp experiences at Zephyr Point*
