

Who Shall We Send?

PRESBYTERIAN YOUTH TRIENNIUM 2019 July 16-20, 2019 Purdue University

Does your church have youth between 15 and 18 years old that God might want to send to Triennium? Your job is to prayerfully listen and look at the youth of your church.

Triennium is NOT camp. Church camp is a great opportunity offered to all. It is a great place for folks to make or deepen their commitment to Jesus Christ.

- Triennium **is** for folks who can make and keep the covenant behaviors.
- Triennium **is** for a diverse group of young people who are on a journey of faith in God through Jesus Christ.
 - Triennium **is** for a chosen delegation, so it is an honor to go.
- Triennium **is** for folks who can and will want to share their experience with the youth and adults of your church.

Suggested discernment process...Let the youth in the age bracket know about the opportunity.

Develop a simple application including questions like: SEE ATTACHED EXAMPLE
How might the Triennium experience contribute to this congregation and your life in it? Describe your faith in God. Have them fill out the participant information form and send it back to me.
