

Presbytery of Nevada
Honorably Retired Pastors – Annual Report

Name: _____ Email: _____

The Committee on Ministry (COM) of the Presbytery of Nevada is sending you this form in hope that it will express the COM's desire to stay in touch with each of our retired ministers, and to be aware of any needs or concerns that you may have. Please take a few moments to let us know how you are doing and how you are engaged in ministry. Thank you!

Have you found any new or challenging ways in which to serve God since your retirement?

Are you actively engaging in ministry of some kind? Please share with us what you are doing.

How can the Committee on Ministry better support you?

Would you be interested in attending a fellowship event (such as a luncheon) with other PCUSA pastors in your area?
